This program is for participants who have never skated before or who are not confident with their balance on the ice and are considered Pre-Canskate regardless of their age. Skaters will be moved to Canskate as soon as they are considered ready.

### Canskate (3 years old & up)

When you sign up for Canskate you will be in a program that focuses on fun, participation and basic skill development. You will earn badges and other incentives as you learn fundamental skating skills. Lessons are given in a group format and led by NCCP certified professional coaches. Professional Coaches are assisted by trained Program Assistants. The coach to student ratio is a maximum of 1:10. Skaters progress at their own rate and coaches make sessions active using teaching aids, music and a wide variety of activities that create a fun environment and promote learning. Canskate is the feeder program to all other Skate Canada Programs.
