Junior Prep is the entry point for our figure skating programs. The skaters will be taught in a group format and will learn the basic principles and skills of figure skating.

Our goal in the Junior Prep Program is to provide skaters with the skills needed to progress to our more advanced figure skating programs. In most cases we recommend that your skater must have completed the full Canskate Stage 1 badge, however this is not a mandatory requirement and your child may audition for our Junior Prep Program at any time during the season.

If you have any questions regarding Junior Prep, we encourage you to contact Diana Lazoruk at [diana@gpskate.com](mailto:diana@gpskate.com).
