REGISTRATION LEVELS

Pre- Canskate (Must be 3 years old as of November 1, 2017 & up)

This program is for participants who have never skated before or whom are not confident with their balance on the ice and are considered Pre-Canskate regardless of their age. Skaters will be moved to Canskate as soon as they are considered ready.

Canskate – (5 years old & up)

This program is for participants who are confident with their balance on the ice and will focus on balance, agility, and control while learning the fundamentals of skating skills for multiple ice sports.
