To All Business Associates:

The Grande Prairie Skating Club is currently organizing our **2023 Peace Region STARSkate Invitational Presented by Pomeroy Hotel & Conference Centre January 20th to 22nd, 2023** at the Coca Cola Centre. This 3 day competition will host 250 figure skaters from more than 20 different communities within Alberta, B.C., and the Northwest Territories.

Our club is a sanctioned Skate Canada skating club with a membership of 25 STARSkate Figure Skaters and 300 Learn to Skate skaters who participate in Skate Canada sanctioned programs, test days and competitions.

As a non-profit organization, our club relies on monies raised from fundraising throughout the year to subsidize the cost of ice fees and operational expenses, helping to make the sport of Figure Skating available to a wide range of families. This is our main fundraising event and what helps it to be even more successful is sponsorship support from the business community of Grande Prairie.

Please see sponsorship opportunities on the attached sheet.

Logos and business information for advertising and promotional details can be submitted by email to cwelygan@telus.net or dropped off at the Grande Prairie Skating Club office by January 10th, 2023.
