

NOVEMBER

NEWS FROM GPSC

We are into the swing of things now and looking forward to the upcoming busy holiday and competition season. First up is the [Rising Stars Showcase](#) on November 19th, register ASAP if you haven't already. Our [Holiday Ice Show](#) will be on Sunday, December 18th at 3:00 PM. Star 1 & Up Skaters will need to register on Uplifter if they wish to participate. A sign up for CanSkate skaters will be happening soon. Please contact Marion (registration@gpskate.com) if you are able to volunteer with planning/organization/setup of the ice show. Planning and preparation for our upcoming [Competition](#) is well underway. This is our biggest event of the year and also a large source of revenue for the club. **ALL** Star 1 & UP families and skaters age 9 & UP are required to volunteer at the competition. Mark your calendars now! ([January 20–22, 2023](#)) We are also looking for members for the Competition Committee. This is a large event that takes many hours of planning, please volunteer if you can. We rely on the generous support of the community to help make this event a success, please pass on the fundraising package to any contacts who may wish to support our club. Reminder that all skaters are expected to come to all on ice and off ice sessions prepared and with the proper attire and footwear. Skaters that do not have the appropriate footwear for off-ice classes (running shoes) may be asked to sit out the session.

FUNDRAISING

We have only one fundraiser for this season and that is the Casino. The dates we were given are: (May 27 & 28, 2023). **ALL** families (Star 1 & UP) are expected to volunteer for shifts. Families who do not fulfill their fundraising obligations will be required to pay a fundraising fee before they are eligible to register for further programming.
